Dr. Edward Bach who became famous for the last experiment in his short life, namely the Bach Flower Remedies, had made Nosodes from various bowel conditions.

Possibility they were not used extensively due to the great success of the Flower Remedies.

However, they have now become popular in the West and many beautiful results have been obtained with their use. This is a short repertory covering a variety of conditions that can be relieved by these nosodes.
1. Adenoids – *Sycotic Co.*
